

## CAMPING IN EUROPE

More and more people are discovering the charm and economy of camping in Europe. Whether it is the rental of a Volkswagen Dica or the economical Mercedes diesel Suntueller there is no way to get to know Europe better at the lowest possible costs. It is estimated that there are more than 10.000 campingsites in Europe and all offer modern conveniences and facilities extending a welcome to the traveller.

Dica camper with top-pop roof

The Dica camper, converted in Holland, is both compact and comfortable and features a convertible awning. The car is supplied with watertank and sink and two burner gasring and storage closets. By day it seats 7 persons and sightseeing can be enjoyed in comfort. At night the camper converts within seconds to provide two double berths. One 77" x 47" and the other 75" x 47".
